CAPE TOWN CITY HALF DAY

Arranged for 30 travellers

Situated below Table Mountain, Devil's Peak and Lion's Head, Cape Town offers a rich cultural and industrial heritage, grand splendour, and an assurance of activity & excitement. Including all the 'must-sees' of any Cape Town day tour, this option is a geographical and cultural extravaganza, showing you Cape Town from its historical beginnings to the dazzling, modern city it is today.

The tour commences with a tour of Table Mountain (weather permitting; cable car fee not included). Enjoy panoramic views over the Mother City and the Atlantic Seaboard, with Robben Island in the distance, lying sleepily in Table Bay harbour. In the heart of the city, enjoy for a short walk through the Company Gardens. From squirrels to a variety of plant life, it's just a happy place to soak up some 'Cape Town vibes' and enjoy the aviaries and fishponds. On the Wale Street end of the garden, you will find a monument which was created to commemorate the life and work of Desmond Tutu – lovingly referred to by South Africans as "The Arch," and a tribute to the values of the South African Constitution. Arch for Arch was installed beside historic St. George's Cathedral aka "People's Cathedral" for its role in the resistance against apartheid. Step inside the Slave Lodge, which explores the history of these unwilling immigrants and how they have contributed to the richness and diversity of South African history. As you drive through the city, you shall get a feel for the cultural melting pot that it is. Continue the tour with a visit to the Castle of Good Hope – the oldest building in South Africa. The Castle acted as local headquarters for the South African Army in the Western Cape and today houses the Castle Military Museum and ceremonial facilities for the traditional Cape Regiments. Alternatively, make a stop at Truth Café for a 'cuppa' at this 'steampunk inspired' artisan coffee shop serving hand-roasted coffees in a vintage cast-iron drum (meal for own account). Return to your hotel upon completion of the tour.

Wooden walkways allow visitors to view the penguins in their natural habitat and there is also a new information centre. A lunch stop is made nearby. End the day with a visit to the well-known Kirstenbosch National Botanical Gardens.
